

Keith Ward Louden, MD

BOARD-CERTIFIED IN
ORTHOPAEDIC SURGERY

 800 8th Ave Fort Worth, TX 76104

Dr. Keith Ward Louden is an established orthopaedic surgeon, who continues to provide exceptional care and support to his patients within his own private practice in Fort Worth, Texas. He is also affiliated with the Medical City Fort Worth Hospital and Baylor Surgical Hospital. Featuring over two decades of experience in his field, he has special expertise in all facets of his work.

His acclaimed career in medicine began in 1995, when he graduated with his medical degree from the University of Texas School of Medicine at San Antonio. Driven to further his knowledge and expertise, he completed his residency training with the University of Texas Health Science Center. Dr. Louden is certified by the American Board of Orthopaedic Surgery. To keep current with the new developments, guidelines, and procedures in his field, Dr. Louden maintains a professional membership with the American Academy of Orthopaedic Surgeons, the Texas Orthopaedic Association, and the Texas Medical Association. He is determined to enhance his patients' quality of life, providing high quality, individualized care in order to ensure the most optimal results. When he is not working, Dr. Louden enjoys sports, hiking, and camping.
